February 20, 2010

To: Southern California Inter-Club Association Member Clubs

Subject: Skater's Grant Program in Memory of Mrs. Betty Sonnhalter

Four years ago the SCICA initiated a Memorial Program in memory of Mrs. Betty Sonnhalter. In keeping with her love of the young skaters, your association has made arrangements for perpetual gifts of \$1,000 each to be presented to two (2) worthy skaters during the Southern California Inter-Club Competitions. Details and mechanics of this program are explained in the attachment.

Clubs who wish to have their skaters considered for these grants should make the application available to all interested skaters. The **application requires: (1)** a signature from a Club Office, **(2)** that each applicant is responsible for filling in their own application as legibly as possible, **(3)** and copy of official school grades.

Deadline for application is **May 22, 2010**.

Send to:

Jean Nakano, Betty Sonnhalter Committee Chair
244 Alabama Street
San Gabriel, CA 91775-2304

Please indicate on the outside of the envelope that it is a Sonnhalter Award application.

**SKATER'S GRANT PROGRAM
IN LOVING MEMORY OF
MRS. BETTY SONNHALTER**

TO BE PRESENTED ANNUALLY
DURING THE SOUTHERN CALIFORNIA
INTER-CLUB COMPETITION

AWARDS OF \$1,000 EACH
TO TWO WORTHY SKATERS

PART I - GENERAL INFORMATION

These awards are given to worthy skaters who have been recommended by their respective home clubs. Recipients are decided by a majority vote by a panel of representatives chosen by the Southern California Inter-Club Association. Consideration will be given to the skaters' or their families' financial circumstances. The chairman of the selections committee must receive recommendations not later than **May 22nd** of the current year for consideration. Recommendations will not be carried over to the next year.

Please make sure that the applicant fills out his/her own application (not the parent or coach), use the downloaded application form and limit the number of recognition attachments whenever possible.
