

2020 Southern California Interclub Association Presents: Sneaker Skating Challenge

May 2 & 3, 2020

Open to all Skaters, of all levels, World Wide

Each participant can select one program to perform on land. Costumes are encouraged and props are allowed if it is a showcase program. In addition, each participant can enter a “spin challenge” using any spinner device they have.

Events will be separated by level and age and judged based on Choreography and Musical Interpretation only. Jumps and spins may be included in the programs; but there is no “technical score”. For the spin event, each participant will perform one spin of their choice using any spinner device they have.
